1.07.2018; No. 1

Music Today Magazine Europe is a private online magazine about the music scene in Europe. We are a small group of audiophile students from Kenya that love European music and are interested in the key concepts of music production. Decisions regarding the creative content and our activities are made in Kenya. We are not active in Europe but write about Europe. [www.MusicToday.eu](http://www.MusicToday.eu) is our hobby and since we use this platform to practice our editorial skills we have no intend to realize profit. We do not sell any products or services. But we are happy about every reader and constructive feedback that helps us to grow. Your privacy is important to Music Today Magazine. So we've developed a Privacy Policy that covers how we collect, use, disclose, transfer, and store your information. Please take a moment to familiarize yourself with our privacy practices and let us know if you have any questions.
